Effective Date: 1st July 2024 | Approved by Governing Body Resolution GB-88/2024

Supervising Statutory Officer: Dean of Student Welfare (DSW), SGSITS Indore

1. Preamble and Policy Objectives

1.1. Shri Govindram Seksaria Institute of Technology and Science, Indore, in recognition of academic excellence, social equity, and intellectual rigor, institutes this comprehensive Scholarship and Financial Assistance Policy. The fundamental mandate of this policy is to ensure that no meritorious student admitted to an undergraduate or postgraduate program is impeded from completing their professional education due to financial hardship.

1.2. The provisions of this policy govern all institutional merit scholarships, alumni endowment stipends, industry-sponsored fellowships, fee waiver concessions, and special benevolent grants administered directly by the Institute Trust and the Dean of Student Welfare.

1.3. External statutory welfare scholarships (such as Post-Matric SC/ST/OBC scholarships awarded by the Government of Madhya Pradesh or the National Scholarship Portal) shall be processed according to respective state government directives; however, institutional matching disbursements and top-up stipends shall remain strictly bound by this ordinance.

2. Classification of Institutional Scholarships and Award Amounts

ATTENDANCE COVENANTS, MEDICAL EXEMPTIONS AND LEAVE RULES

3. Institutional Attendance Standards for Scholarship Holders

3.1. General Attendance Obligation:

Every scholarship beneficiary is obligated to maintain exemplary classroom, tutorial, and practical laboratory engagement. The standard expected attendance performance for all scholarship recipients is ninety percent (90%) in each registered subject.

3.2. Routine Absence Limitations:

Absence from classes without sanctioned leave of absence in excess of five (5) cumulative instructional days in a single calendar month shall lead to the immediate withholding of that month's scholarship stipend tranche.

3.3. Sanction of Authorized Medical Leave:

In the event of severe infectious illness, surgical intervention, or inpatient medical treatment, the scholarship recipient must submit a medical application accompanied by hospital discharge documentation countersigned by the Chief Medical Officer of Maharaja Yeshwantrao Hospital (MYH) Indore to the Dean of Student Welfare within ten (10) days.

3.4. Medical Exemption & Examination Admissibility for Scholars [PLANTED CONTRADICTION C1]

Notwithstanding any general academic ordinances, departmental circulars, or regulations published elsewhere in the Institute rulebook, scholarship recipients availing sanctioned medical leave under Section 3.3 shall be deemed legally eligible to appear for End-Semester Examinations provided their verified institutional attendance does not fall below sixty percent (60%) in the affected subjects. The Scholarship Standing Committee affirms that a student holding institutional merit credentials who is incapacitated by authenticated medical circumstances shall not be detained from examination eligibility if they achieve the sixty percent (60%) threshold. This specific provision supersedes conflicting standard departmental attendance ceilings.

3.5. Procedure for Verifying Attendance Shortfalls

Before publishing the final examination debarment roster, the Controller of Examinations must transmit a confidential list of all detained candidates to the Dean of Student Welfare. If any listed candidate is a certified scholarship recipient possessing valid medical leave certification exceeding forty percent shortfall, their attendance record shall be recalculated against the 60% medical baseline before debarment orders are executed.

CRITERIA FOR ANNUAL RENEWAL AND MAINTENANCE OF AWARDS

4. Annual Performance Evaluation and Renewal Benchmarks

4.1. Annual Review Cycle:

Every scholarship awarded under this code is initially granted for a duration of one academic year (two consecutive instructional semesters). Continued disbursement in subsequent academic years is not unconstrained and requires rigorous formal re-evaluation by the Institutional Scholarship Scrutiny Board during the annual summer audit.

4.2. Annual Renewal CGPA Benchmark [PLANTED CONTRADICTION C3]

For all institutional merit, merit-cum-means, and endowment scholarships, annual renewal is strictly contingent upon maintaining a Cumulative Grade Point Average (CGPA) of not less than 8.00 (eight point zero zero) at the conclusion of each academic year, with zero uncleared backlogs (ATKT) across all preceding semesters. Any student whose cumulative CGPA falls below 8.00 at the end-of-year audit shall permanently forfeit their scholarship entitlement. The Institutional Scholarship Scrutiny Board shall strictly enforce this 8.00 CGPA renewal threshold; no automatic waivers, honorary merit list exemptions, or external departmental provisions shall be honored or accepted to override this mandatory 8.00 CGPA standard.

4.3. Disciplinary Debarment and Forfeiture Triggers

A scholarship awarded under any category shall be summarily revoked, and the recipient required to refund all disbursed funds, upon the occurrence of any of the following disciplinary infractions:

- (a) Any proven participation, complicity, or instigation of ragging under Section 10 of the Academic Regulations.
- (b) Conviction of academic malpractice, plagiarism exceeding fifteen percent (15%), or examination hall cheating.
- (c) Destruction of Institute property, laboratory equipment sabotage, or unauthorized eviction strikes in hostels.
- (d) Submission of fraudulent, forged, or altered income certificates or domicile declarations during application.
